

SMS TEXT MESSAGING TERMS OF SERVICE AND OPT IN CONSENT

These SMS Text Messaging Terms of Service (these "SMS Terms") apply to SMS text messaging between you and health2me LLC (the "Practice").

The Practice may use SMS text messaging to communicate with you about services the Practice provides to you, including:

- Appointment and care reminders
- Account and billing notifications
- Verification codes for secure account access
- Secure-message notification, care coordination follow-up
- Important practice announcements, such as office closures or health advisories

By signing this form and providing your mobile phone number below, you agree to receive (you "opt in" to receiving) SMS text messages from the Practice for the purposes described above.

- Message frequency may vary.
- Standard message and data rates may apply.
- You may reply STOP at any time to opt out of receiving SMS text messages from the Practice.
- You may reply HELP at any time to receive assistance.
- Consent to receive SMS text messages is voluntary and is not a condition of receiving care, treatment, or services from the Practice.
- Your mobile phone number and SMS opt in consent will not be sold or shared with third parties or affiliates for promotional or marketing purposes.

SMS text messages from the Practice may originate from the Practice's organizational phone numbers, including:

- (808) 452-0288

Our Privacy Policy is available at www.health2me.com/privacy and our Terms of Service are available at www.health2me.com/terms.
